Conditions of Use

I acknowledge that:

1. Use of the material is restricted to use for statistical purposes and that this means that I can only use the material to produce information of a statistical nature. Examples of such uses are:
 - (a) the manipulation of data to produce means, correlations or other descriptive summary measures;
 - (b) the estimation of population characteristics from sample data;
 - (c) the use of data as input to mathematical models and for other types of analyses (e.g. factor analysis); and
 - (d) to provide graphical and pictorial representation of characteristics of the population or sub-sets of the population.
2. The material is not to be used for any non-statistical purposes, or for commercial or financial gain without the express written permission of the Australian Data Archive National Manager. Examples of non-statistical purposes are:
 - (a) transmitting or allowing access to the data in part or whole to any other person / Department / Organisation not a party to this undertaking; and
 - (b) attempting to match unit record data in whole or in part with any other information for the purposes of attempting to identify individuals.
3. Statistical tables, graphs etc. obtained from analysis of these data may be further disseminated provided that I:
 - (a) acknowledge both the original depositors and the Australian Data Archive;
 - (b) acknowledge another archive where the data file is made available through the Australian Data Archive by another archive; and
 - (c) declare that those who carried out the original analysis and collection of the data bear no responsibility for the further analysis or interpretation of it.

(d) To obtain permission in writing of the original depositor of the data, or an authorised representative, before publishing any interpretation of such materials.
4. Use of the material is solely at my risk and I indemnify the Australian Data Archive and its host institutions including The Australian National University, the University of Technology, Sydney, The University of Queensland, University of Western Australia and The University of Melbourne.
5. The Australian Data Archive and its host institutions including The Australian National University, the University of Technology, Sydney, The University of Queensland, University of Western Australia and University of Melbourne shall not be held liable for any breach of this undertaking.
6. The Australian Data Archive and its host institutions including The Australian National University, the University of Technology, Sydney, The University of Queensland, University of Western Australia and The University of Melbourne shall not be held responsible for the accuracy and completeness of the material supplied.
