

Personal NCLD Dataset holdings – Relinquishing

Name:

Organisation:

For each dataset of which you are an Authorised User, write a cross (X) in the box under each of the National Centre for Longitudinal Data (NCLD) dataset Releases* you wish to relinquish. Also, please sign and date in the designated area below to confirm those dataset files have been deleted or destroyed.**

HILDA General Release

1 to 5	6	7	8	9	10	11	12	13	14	15	16	17	18	19

HILDA Restricted Release

1 to 5	6	7	8	9	10	11	12	13	14	15	16	17	18	19

LSAC General Release

1	2	3	4	5	6	7	8

LSAC Restricted Release

1	2	3	4	5	6	7	8

LSAC Linked Datasets

AEDC	CheckPoint Biomarkers General	CheckPoint Biomarkers Restricted	CheckPoint Supplementary

LSIC General Release

1	2	3	4	5	6	7	8	9	10	11

BNLA General Release

1	2	3	4	5

I have undertaken the necessary steps to delete or destroy all copies of the datasets indicated above.

Signature:

Date:

* A **Release** is different from a **Wave**. Each **Release** includes the latest **Wave** available at the time, in addition to all the previous **Waves**. For example, Release 18 includes Waves 1 to 18.

Personal NCLD Dataset holdings - Retaining

Name:

Organisation:

For each dataset of which you are an authorised user, write a cross (X) in the box under each of the National Centre for Longitudinal Data (NCLD) dataset Releases* you wish to retain.

HILDA General Release

1 to 5	6	7	8	9	10	11	12	13	14	15	16	17	18	19

HILDA Restricted Release

1 to 5	6	7	8	9	10	11	12	13	14	15	16	17	18	19

LSAC General Release

1	2	3	4	5	6	7	8

LSAC Restricted Release

1	2	3	4	5	6	7	8

LSAC Linked Datasets

AEDC	CheckPoint Biomarkers General	CheckPoint Biomarkers Restricted	CheckPoint Supplementary

LSIC General Release

1	2	3	4	5	6	7	8	9	10	11

BNLA General Release

1	2	3	4	5

Note: If you wish to retain any dataset, you must complete an NCLD [Confidentiality Deed Poll](#) (previously known as an NCLD *Deed of Confidentiality*) and provide a copy to the NCLD and the Australian Data Archive. This Deed will apply to all NCLD Datasets you hold and any future NCLD Datasets you request access to.

* A **Release** is different from a **Wave**. Each **Release** includes the latest **Wave** available at the time, in addition to all the previous **Waves**. For example, Release 18 includes Waves 1 to 18.
